Full Stack Developer in continuous learning. After working in the Turkish National Police Academy and later as a lawyer, I am finally following my dream and dedicating myself to IT. My biggest goal is to combine the discipline with effective using of time, teamwork and the problem-solving experiences I gained from my past professions. My passions are to work with care, constantly improve myself, ask, learn and help others.

Education

HackYourFuture, Web Development | Aug. 2022 – Feb. 2023 | [Curriculum](#)

A 28-week course designed to cover all aspects of full-stack development including HTML, CSS, JavaScript, NodeJS, ExpressJS, MySQL and ReactJS.

Anadolu University-Web Design and Development | Sept. 2020

Law Faculty at Gazi University | July 2015 – Aug 2019

Turkish National Police Academy | July 2012 – April 2015

Experience

Lawyer at Celik Law Consultant | July 2019 - Sept 2021

I gained experience in which my communication, time management, teamwork and problem solving skills improved. I have had a successful professional life with the awareness of my responsibilities at the same time by helping each other with my colleagues.
